EN: 1177: 2008 TEST CERTIFICATE

14332/4887/1

This is to certify that

'Easiplay Fun + Schmitz 25mm Over a Dynamic Base'

Supplied by

Easigrass Distribution Ltd

Has been tested in accordance with

EN: 1177:2008

Achieving a Critical Fall Height (HIC) of

2.1 m

Richard Nixon
Technical Director

Note: The performance of in-situ laid materials is dependent on many factors; the tests performed on these samples reflect accurately their Laboratory properties only. If any component changes in the system then the system will need to be retested. For construction details refer to Report 14332/4887.

Date Issued: 15th June 2012

Valid Until: 15th June 2013
